Grapes grown from some of the most choice land in the surrounding region of La Motte en Provence, consisting primarily of Grenache, Cinsault, Syrah, Carignan and Vermentino. Harvesting at sunrise to noon. The grapes which are used to make Whispering Angel are sorted optically. Destemming and slight crushing at 7-8°C to avoid oxidation. Both the free run juice and pressed juices are vinifed in stainless steel. “Batonnage” is twice weekly. Temperature controlled.

The most famous rosé in the world and it is now firmly established as the most glamorous pink wine on the planet! The 2019 vintage is absolutely stunning.
Matthew Jukes

One of the most exciting cuvées from Côtes de Provence. A supremely drinkable rosé.

Wine Spectator

The grapes are picked slightly riper to provide more intense fruit flavors and a lusher mouthful... creamy texture, weight on the palate. Delicious, a remarkable effort... Gillian Sciaretta

JAMESSUCKLING.COM  91 POINTS

A rosé with lemons, cantaloupe, orange peel and peaches. Medium-bodied with hints of tannins. Fruity, yet not over the top. Crispy and creamy. Summer pleasures. Drink now.

Pale pink... Whispering Angel is all about luxury: the luxury of scent, the luxury of flavour, the luxury of texture... a long silky mineral palate entice from front to back. When you want to make a rosé statement or impress anyone, this is the ticket.
Anthony Garland On Wine  92 POINTS

A classic dry rosé from Provence. This light, salmon colored 2019 Rosé has wonderful notes of crushed rocks, citrus, peach and orange blossom. Medium bodied on the palate that comes across as both clean and crisp. This may be the best Whispering Angel to date!

Very pale salmon pink. Delicate nose... Palate textural, lovely oiliness and soft but present acidity with grapefruit freshness, but not biting, more cleansing. Layered and not hard to drink.
